MEMORANDUM FOR

Commanders, All Units Reporting Directly to This Headquarters
Commanders, Fort Knox Partners In Excellence
Directors and Chiefs, Staff Offices/Departments, This Headquarters

SUBJECT: Fort Knox Policy Memo No. 11-07 – Wireless Network Management Program

1. References.

- a. AR 25-2, Information Assurance, 14 Nov 03.
- b. Army Best Business Practice Wireless Security Standards, 22 Jun 04, updated 11 Aug 06.
- c. Memo, HQ USAARMC, IMSE-KNX-IMO, 30 Mar 07, subject: Fort Knox Policy Memo No. 06-07 – Workstation Baseline.
- d. Memo, HQ USAARMC, IMSE-KNX-IMA, 20 Apr 07, subject: Fort Knox Policy Memo No. 9-07 – Mobile Computing Devices (MCDs)/Portable Electronic Devices (PEDs) Security.

2. Purpose. This policy is to create and disseminate information concerning wireless network requirements.

3. Applicability. This policy applies to all Soldiers, civilians, and contractors who connect to the Fort Knox Campus Area Network (FKCAN).

4. Policy.

a. All peripheral devices (including but not limited to copiers, multi-function devices, printers, video teleconference equipment, etc.) with wireless capability must have the wireless capability disabled.

b. Documentation showing when scans are conducted and the results are required to be kept on file by DOIM for inspection from higher headquarters. The DOIM will conduct periodic scans for the following items:

- (1) Wireless connections to the FKCAN.

SUBJECT: Fort Knox Policy Memo No. 11-07 – Wireless Network Management Program

(2) Rogue wireless users or access points and Bluetooth devices.

c. The FKCAN has enabled media access control locking to prevent rogue devices on the network.

d. All baseline images will be created for the user to select one of three separate hardware profiles while booting: wireless, local area network, or modem. When one of the three profiles are selected, the remaining two options are automatically disabled (see reference c for more information).

5. Point of contact is Installation Information Assurance Manager, 4-5782.

FOR THE COMMANDER:

A handwritten signature in black ink, appearing to read "Mark D. Needham". The signature is fluid and cursive, with the first name "Mark" and last name "Needham" clearly distinguishable.
